VISIONS IN ACTION

SHOP + EAT

Level up your shopping and dining experience with the Grand Ledge™ Wall, and top it off with stylish 4' Dimensional Steps used as coping for a perfect finishing touch. Engineered to hold strong between the lake and commercial spaces, this timeless design also includes a custom designed railing as a barrier.

RECREATION + ATHLETICS

Stop! Blow the whistle, it's time to make a grand entrance for the home team! Design your next athletic venue with show-stopping Outcropping Walls built to impress. Stroll through the park and you'll also find winding paths, lush greenery, and plenty of spots to relax with Freestanding Outcropping seat walls.

PLAY + ACTIVITY

School gets way more fun when the classroom moves outside! With outdoor learning spaces and playgrounds, kids can soak up the sun, breathe fresh air, and let their imaginations run wild. Freestanding Outcropping formed in a ring is perfect for gathering, storytelling, or just taking a break. Whether it's science, reading, or recess, this durable, natural-looking setup makes every day an adventure in learning!

PARKS + OPEN SPACES

Bring your next park and open space to life. This sprawling community space is full of subtle design moments featuring HIGH FORMAT® products. Kodah® blocks shape stylish, curving seat walls perfect for gathering and entertaining, while a Grand Ledge™ Wall frames the expansive parking area. Retaining walls to cozy seating nooks tucked throughout the property add beauty, function, and a whole lot of style.
